

Report from County Councillor Barry Duffin

13th February 2023

The County council is now heavily into budgets more of which I shall be able to give you next time. However, it does look like a 4.9% increase in Council Tax. The in-principal County deal is slowly progressing to which end a new panel is being put together at County to advise on progress etc. I will let you know who is on the panel when next we meet. I can confirm however that I am a panel member so should be able to keep you well informed. Should you wish to contact me my number is 07734261251
